

JAG Direct Expands Temperature-Sensitive Logistics with Customized Solutions Nationwide

Branchburg, New Jersey Oct 11, 2025 ([IssueWire.com](https://www.issuewire.com)) - JAG Direct Expands Temperature-Sensitive Logistics with Customized Solutions Nationwide

JAG Direct, a trusted leader in temperature-sensitive and dry logistics, is excited to announce the launch of its new Solutions Services, designed to provide fully customized temperature-sensitive shipping solutions tailored to meet the unique needs of businesses. Whether shipping within the tri-state area or across the nation, clients can now rely on JAG Direct's expanded network and dedicated fleet to ensure precise handling and timely delivery of their valuable goods.

This new service offering reinforces JAG Direct's commitment to excellence in logistics by addressing the critical demands of temperature-sensitive shipping with unparalleled expertise and reliability. The company's customized Solutions Services enable businesses to streamline their supply chains and confidently manage complex shipping requirements with comprehensive, end-to-end support.

"With our enhanced network and fleet, we are proud to offer our clients peace of mind knowing their shipments are in the hands of experienced professionals committed to maintaining strict temperature control standards," said Yvens Daudier, Founder and CEO of JAG Direct. "Our goal is to be the trusted logistics partner for businesses that require exceptional care and precision in their shipping operations."
