DeLand, Florida Oct 2, 2025 ([Issuewire.com](https://www.issuewire.com)) - Kaley Macomber, a distinguished REALTOR® and Agent Advisor with Adams, Cameron and Co., Realtors, is making significant strides in the real estate landscape of DeLand and its neighboring communities. With over 12 years of industry experience, Kaley specializes in a wide range of real estate services, including residential and commercial transactions, land development, and commercial leasing, ensuring that her clients receive unparalleled support

throughout the buying, selling, and investment process.

In collaboration with fellow agent Amy Mason Paxia, Kaley adopts a team-oriented approach that leverages their combined expertise to benefit clients. This partnership allows them to provide a comprehensive suite of services, enhancing the overall real estate experience. Kaley's active role as an Airbnb "Superhost" and VRBO operator further enriches her experience with hospitality, as she shares valuable insights on ownership and investment strategies. Her passion for renovations, shaped by hands-on personal experience with multiple home remodels and years of guiding investors through successful projects, has made her a trusted expert in spotting investment potential and helping clients navigate the real estate market with confidence.

Kaley's commitment to excellence extends beyond her client interactions. She has played an active role in the professional real estate community, currently serving in her second year of two-year term as a director of the West Volusia Association of REALTORS® (WVAR) Board of Directors. She co-created the historical podcast *DeLand—Small Town, Big Heart* with childhood friend Shannon Dunn Halfhill, drawing on a lifelong connection to the land and a deep-rooted knowledge of DeLand and Volusia County. The podcast showcases the rich history and enduring spirit of the area, reflecting her passion for storytelling and preserving local heritage. She also currently leads the planning committee for DeLand High School's 20-year reunion, spearheading the Class of 2005's "Rhythm of Rio" celebration with creativity, precision, and deep hometown pride—overseeing everything from float building to the overall order of events for a four-day celebration for the DeLand High School Alumni Homecoming Reunion. Her involvement demonstrates her dedication to not only advancing her own career but also contributing to the growth and integrity of the real estate profession and local community.

Renowned for her meticulous attention to detail and deep market knowledge, Kaley prioritizes building lasting relationships with her clients based on trust and understanding. Her relentless pursuit of client satisfaction and her ability to navigate complex transactions reflect her unwavering commitment to serving the needs of buyers, sellers, and investors alike.

For those seeking a knowledgeable and dedicated REALTOR® in the DeLand area, Kaley Macomber stands out as a trusted partner. With her expertise and personalized approach, she continues to leave a positive mark on the local real estate market, helping clients achieve their real estate goals with confidence and ease. Being a Realtor even led her to her greatest partnership—she's now the proud wife of Russell Yale Macomber, Captain of the U.S. flagged merchant vessel *M/V ARC Commitment*. His life at sea, filled with high-stakes challenges and global responsibility, puts even her toughest day in real estate into perspective and continues to inspire her grounded, purpose-driven work on land. After all, a bad day navigating contracts has nothing on navigating storms, mechanical failures, or international waters with a full crew depending on you—serving the sea is no easy calling.

"Smooth Seas Never Made A Skilled Sailor, and Smooth Deals never made a skilled Realtor."
