

Last Light Made its Debut With the Track 'Still Here'

'Still Here' has been released by the new Toronto-based band, Last Light. The soundtrack is reaching out to the audiences and slowly captivating everyone.

Toronto, Oct 16, 2025 ([Issuewire.com](https://www.issuewire.com)) - The Toronto-based music band, **Last Light**, is ready to bring a massive buzz to the music industry. It is a post-rock music band that has showcased its innovative talent with the very first song, '[Still Here](#)'. This band has amused quite a few listeners with its debut soundtrack. The lyrically and musically enriched sound design is slowly reaching out to a larger number of listeners. The music presentation is quite different from any other bands or solo

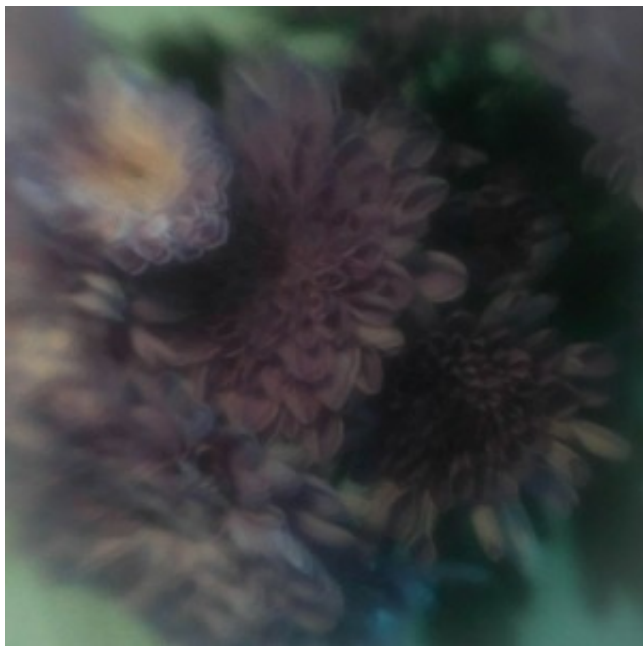

music artists. And that is what leads them to gain more listeners.

The vocal of the newly released song has a different kind of energy. The mind-stirring deliverance is captivating the audience within a brief time. In addition to that, their song has a beautiful blend of 90s hardcore, alt-rock, shoegaze, and metal essence. And that has made the track completely different from others. Along with that, the heavy melodies have enhanced the charm of the song even more. As a debut music band, this band has succeeded in offering a unique piece of music that helps to grab the attention of more listeners.

Last Light is a band that has given the track '**Still Here**' as of now. It is coming to know that they will drop their new album 'Paradise' soon. The new soundscape will be a part of the upcoming album. As this band has gone for a unique song, it can be said that the rest of the songs will have a different charm as well.
