

Laura Ciccarello Debuts at CONTEXT During Art Basel Week

New York City, New York Oct 26, 2025 ([IssueWire.com](https://www.IssueWire.com)) - Laura Ciccarello Debuts at CONTEXT Art Miami During Art Basel Week

New York-based contemporary artist **Laura Ciccarello** will present a new body of work with Mido Gallery, **Booth C14** at **CONTEXT Art Miami**, running **December 2nd–7th, 2025**, during **Art Basel Week**. Known for its strong international collector base and elevated curation, CONTEXT provides the perfect stage for Ciccarello's transition from the fashion world to the art market.

Ciccarello's trajectory is unconventional yet deeply relevant to today's collectors. Having launched her career in the luxury fashion industry—working with major brands and retailers—she honed a visual language rooted in transformation, narrative, and cultural iconography. Her new paintings build on this foundation, blending meticulous surface treatments with bold, symbolic gestures that carry both market-ready polish and conceptual weight.

“When someone experiences my art, I want them to feel a sense of connection — to themselves, to others, or to something bigger that words can’t always describe. I hope my work stirs emotion, curiosity, or even recognition. It’s not about telling or forcing people what to feel, but about creating a space where they can pause, reflect, and see a part of their own story reflected back at them. If they walk away feeling excitement, a sense of wonder, or just a hint more awake to the world around them, then my mission has been accomplished.”
Ciccarello said.

For collectors, Ciccarello represents a compelling voice—an artist with a record of entrepreneurship and a fresh artistic practice that bridges industries. Her layered approach appeals not only to seasoned collectors but also to new buyers looking for investment-worthy work with cross-cultural relevance.
