

Leading Nurse at Texas Children's Hospital Enhances Patient Care in Baytown, Texas

Dedicated to Quality of Life, Communication, and Safety in Healthcare

Baytown, Texas Oct 16, 2025 ([Issuewire.com](https://www.issuewire.com)) - Jacqueline Robins, a distinguished nurse at Texas Children's Hospital/Upstate Women's Health, is making significant strides in patient care and community health in Baytown, Texas. With a career spanning several decades, Robins has established herself as a leader in nursing, driven by her unwavering commitment to improving the lives of her patients and enhancing the overall quality of healthcare.

Robins's journey in nursing began with her Bachelor of Science in Nursing from Texas Woman's University in 1986, followed by a Master's of Science in Nursing with a specialization in Nurse Midwifery from Emory University in 1995. This robust educational foundation, coupled with her extensive experience, has equipped her to address the unique needs of her patients effectively.

In her role at Texas Children's Hospital, Robins exemplifies the core values of communication, safety, and trust. She believes that these principles are essential for building strong relationships with patients and their families, fostering an environment where individuals feel heard and valued. Her dedication to patient-centered care has made her a cherished asset in the Baytown community.

"Every day, I am reminded of the privilege it is to serve others during their most vulnerable moments," Robins stated. "My success is rooted in my love for nursing and the genuine desire to be there for others when they need support the most."

In addition to her clinical work, Robins is also committed to empowering fellow nurses through her legal guidance practice. She actively participates in professional organizations such as the American College of Nursing and ACNEM, ensuring that she remains at the forefront of nursing education and best practices. Robins's dedication to continuing education and research highlights her tireless efforts to make a meaningful impact in the healthcare field.

As a leader and expert, Jacqueline Robins is not only transforming patient care at Texas Children's Hospital but is also a beacon of hope and support for her colleagues and the community. Her passion for nursing and commitment to excellence are truly inspiring, making her a vital figure in the healthcare landscape of Baytown, Texas.
