The customer service here is spectacular. I called Leia to see if I could set up my dealership. Although I wasn't ready to make a purchase they were

Cleveland, Ohio Oct 10, 2025 ([IssueWire.com](https://www.issuewire.com)) - Entrepreneur Aaron Berry, founder and CEO of Leios Corp, is redefining how international investors access opportunity in the United States. Through a proven, fully compliant business-build framework, Leios helps foreign entrepreneurs establish E-2 Visa-qualified enterprises that are operational, profitable, and ready to scale within 30 to 45 business days.

Founded in 2010, Leios Corp specializes in turnkey business setups — including LLC formation, licensing, auction access, office leasing, and operational structure — giving investors a complete, immigration-ready U.S. company. The firm's \$150,000 investment model strategically allocates capital across business setup, office operations, working capital, and inventory, ensuring each client presents a genuine, revenue-ready enterprise to immigration authorities.

Under Berry's leadership, Leios has served clients from Canada, France, Mexico, Italy, and Jamaica, helping them secure visas and ownership of real American businesses. His mission: to make cross-border entrepreneurship transparent, attainable, and growth-driven — proving that global mobility and U.S. job creation can work hand-in-hand.
