

Lenor Mansa Musa Penferd's Explosive Novel "Consignment" Climbs to #2 Best Seller Ranking Since Its Release

Atlanta, Georgia Oct 12, 2025 ([IssueWire.com](https://www.issuewire.com)) - Rising author and cultural visionary Lenor Mansa Musa Penferd has officially broken into the national spotlight as his gritty urban crime drama *Consignment* has soared to the #2 Best Seller ranking since its release.

Consignment delivers an unflinching look into the world of power, loyalty, and the unforgiving rules of the street game. Since its debut, the book has captivated thousands of readers, pulling them into a world of betrayal, ambition, and survival. It's a story about legacy and empire — told through a raw, cinematic voice that feels as real as the pavement it walks on.

"To see *Consignment* hit #2 so fast is a blessing. This book comes from real pain, real loyalty, and real experiences. I wrote it for the people who know the game and for those who need to understand what's behind it," says Penferd.

Often compared to iconic street-lit classics like *The Coldest Winter Ever*, the book has resonated

strongly with urban fiction fans, book club communities, and readers hungry for authentic, powerful storytelling.
