

Let's Talk Speech & Language Therapy Expands Services With New Mission Viejo Office and Website Launch

Local speech therapy provider enhances accessibility with new Orange County location and digital platform

Mission Viejo, California Oct 8, 2025 ([Issuewire.com](https://www.issuewire.com)) - Let's Talk Speech & Language Therapy, founded by licensed speech-language pathologist Jill Dews, M.A., CCC-SLP, is proud to announce the relocation of its practice to 27285 Las Ramblas, Suite #210, Mission Viejo, CA 92691. The move reflects the clinic's continued growth and commitment to providing accessible, family-centered speech and language services in South Orange County.

Alongside the new office, the practice has launched a redesigned website, www.letstalkspeechandlanguagetherapy.com, offering easier navigation for parents, referral sources, and caregivers. The old site, hosted at letstalkspeechandlanguagetherapy.square.site, remains active but all future updates will be posted on the new domain.

Services for Children & Teens

The Mission Viejo clinic provides comprehensive speech therapy solutions designed to help children, adolescents, and adults achieve clearer communication and stronger confidence. Treatments include:

- **Pediatric Speech Therapy** – Helping children develop clear, confident communication skills.

- **Early Intervention Evaluations** – Identifying developmental needs and providing support during critical early years.
- **Articulation Therapy** – Improving speech sound production for greater clarity and confidence.
- **Phonological Processing** – Addressing patterns of sound errors to strengthen overall language skills.
- **Apraxia Therapy** – Specialized treatment for motor planning difficulties that affect speech.

A Trusted Leader in Early Intervention

Founder [Jill Dews, M.A., CCC-SLP](#), has specialized in early intervention and pediatric speech therapy since 2002. With over two decades of clinical expertise, she has built strong relationships with families, schools, and physicians in Orange County. Her approach emphasizes individualized care plans, family involvement, and progress tracking so each client receives the right level of support.

“Our goal has always been to make speech and language therapy approachable, effective, and family-focused,” said Dews. “The new Mission Viejo office allows us to serve more families in a comfortable setting while our website provides an easier way to learn about services and request appointments.”

Serving the Mission Viejo Community

Conveniently located near the I-5 freeway, the new office provides easier access for families across Mission Viejo, Ladera Ranch, Rancho Santa Margarita, and neighboring communities. The clinic offers flexible scheduling and works closely with parents to coordinate services alongside school-based programs or medical providers.
