

Lighthouse Institute Celebrates Its First Anniversary

Founded by Guatemalan-Canadian Eduardo García, a professional with more than 30 years of firsthand experience in the international financial world.

Waterloo, Ontario Oct 10, 2025 ([IssueWire.com](https://www.IssueWire.com)) - The consulting firm Lighthouse Institute, registered in Ontario, Canada, is celebrating one year of adding value for its clients and partners.

With a unique focus on the Americas, Lighthouse Institute is dedicated to providing products and services of unparalleled value and quality in the areas of research, due diligence, and financial consulting.

Lighthouse Institute's clients use the firm's products or services independently or in an integrated manner in the following ways:

- **Research** establishes the foundation for due diligence, providing the initial context.
- **Due diligence** involves examining the information gathered through research, validating data, and uncovering crucial details to inform decision-making.
- **Financial consulting** utilizes the findings of research and due diligence to provide expert analysis, validate investment opportunities, and advise on fair value and associated risks before executing any transaction.

The synergy generated by Eduardo García's collaboration with professionals specialized in each area ensures the delivery of the highest-quality solutions to clients.

The firm's unwavering dedication to excellence ensures that its clients receive the most effective solutions.

Eduardo García's track record is a testament to his steadfast commitment to integrity and fairness. His 15-year-plus battle against [Itaipú Binacional](#), an energy giant, despite its considerable resources and influence, is a story of courage and determination that continues to inspire everyone at Lighthouse Institute and others.

For more information on the Itaipú case, read Paraguayan legal scholar Julio Benítez's whistleblowing book, [Canada, A Legal Paradise](#), available on Amazon.
