

MAB Trust and Spirit of Math Partner to Bring International Spirit of Math Contest to Botswana for 2025-26 School Year

North York, Ontario Oct 2, 2025 ([IssueWire.com](https://www.issuewire.com)) - [MAB Trust](#) and [Spirit of Math](#) are thrilled to announce an exciting collaboration that will bring the International Spirit of Math Contest to Botswana for the 2025-26 school year.

The partnership is a continuation of Spirit of Math's unwavering commitment to promote co-operation, inspire confidence and release the genius in every child all around the world. This collaboration will give Botswanan students the opportunity to showcase their abilities on an international stage, while growing their confidence and skills which they will need for future success.

"At Spirit of Math, we are dedicated to revolutionizing education for students everywhere," said [Kim Langen](#). "We are excited to support MAB Trust in their mission to cultivate young talent and help students realize their greatest potential."

MAB Trust is driven by a powerful mission: to uncover and nurture Botswana's brightest mathematical minds and empower them to thrive on the global stage. Through strategic support and access to prestigious international competitions, MAB Trust aims to inspire a generation of problem solvers, critical thinkers, and future STEM leaders who will shape the world with their intellect and innovation.

The vision of MAB Trust is to cultivate a vibrant mathematical community in Botswana, one that celebrates excellence, encourages curiosity, and fosters international collaboration. By connecting young learners with global opportunities, MAB Trust is building bridges across borders and laying the foundation for a future where Botswana's youth lead with knowledge, creativity, and purpose.

Through this new partnership with Spirit of Math, MAB Trust continues its mission to unlock student potential and provide opportunities for them to shine on an international stage.

The partnership is one of many collaborations Spirit of Math is undertaking with international organizations to bring the International Spirit of Math Contest to every corner of the world. Competitive events such as these offer children an excellent opportunity to develop important skills such as analysis, problem solving and critical thinking. They also get the personal satisfaction (and motivational boost) of tackling and conquering some of the hardest questions.

About MAB Trust

MAB Trust is a forward-thinking initiative dedicated to promoting mathematical excellence among Botswana's youth. With a strong focus on education, empowerment, and international engagement, we provide students with the tools and platforms to showcase their talents on a global scale. Its programs are designed to spark a lifelong love for mathematics and open doors to careers in science, technology, engineering, and beyond.

About Spirit of Math

For over 30 years, Spirit of Math has been an innovative leader in education for high-performing

students, with more than 40 campuses across the globe. From in-person and online classes, camps and workshops to an expanding series of workbooks and training for educators, Spirit of Math is changing the equation for inquisitive minds around the world. Spirit of Math's four elements – Core Curriculum, Drills, Problem Solving and Collaborative Group Work – form the foundation of all its programs. These building blocks are the basis of a multi-layered experience that creates well-rounded students with an intensive toolkit of skills, logical problem-solving and higher-level collaborative capabilities.
