Eagan, Oct 30, 2025 (Issuewire.com) - Out of all music genres and styles, Rap music always seems to be on top when it comes to engaging the crowd. Now taking this genre to the next level, **MadeByTerry** has released two brand new tracks. These anthems are purely made for the Day-ones and hustlers, fueling listeners with motivation and energy. Under the label of **D.I.4.Y. Studios LLC**, the artist has delivered bold one-two punches with the new singles, '[Stacks on Stallionz](#)(Mr.

[Money Baggz](#)’ and [‘O.M.S.\(Onn My Shhh!\)’](#). Both of these tracks put the artist’s charismatic voice at the front and center. This allowed the artist to paint a vivid picture of freedom and hustle, along with the pride that comes with them.

One of the two releases, ‘Stacks on Stallionz(Mr. Money Baggz)’ has a charming composition with heavy bass knocks and sharp drum patterns that are designed to pump listeners up. You can play the song both in the club and on the streets. The artist’s rap flow is commendable, as well as his bars that cut through the mindset of someone who is no longer chasing an upgrade but is ready to grab it by his hand. ‘O.M.S.(Onn My Shhh!)’, on the other hand, doubles down on the confidence. **MadeByTerry** how cases intent and power. It proves that the artist knows where he is headed, and he is not afraid to tell the world. The beats flip between dark synth layers and booming 808 energy, allowing the artist to speak freely with zero hesitation.

Listen to the songs on Spotify, along with some of his previous releases like **‘Keyz II Success’**, **‘Stacks on Stallionz(Mr. Money Baggz)’**, **‘Ride Along’**, **‘Freestyle #9(Wishin I Was a Player)’**, etc. Follow him on [Instagram](#), [X](#), and [Facebook](#) for more updates.
