

Maivest Digital Capital Inc. Drives a New Era of Global Investment Through AI

Atchison, Kansas Oct 22, 2025 ([Issuewire.com](https://www.issuewire.com)) - As a U.S.-registered global investment institution holding an MSB license, **Maivest Digital Capital Inc.** is accelerating its comprehensive transformation in artificial intelligence and blockchain through a dual strategy of technology and capital. In response to the global economic restructuring and the rise of emerging technologies, Maivest applies long-termism and structured investment principles to deliver high-quality asset allocation solutions for institutional clients and family offices.

Originating in the **1990s**, Maivest was co-founded by several European and American family funds and financial institutions. Over more than three decades of market cycles, the company has developed extensive cross-cycle investment experience and a robust risk management framework. Since launching its **AI strategic transformation in 2023**, Maivest has successfully built a diversified investment ecosystem spanning AI model development, blockchain infrastructure, and green energy technologies.

The company's proprietary **AI research engine "SignalOne"** utilizes multi-dimensional algorithmic models and big data analytics to provide real-time signals for investment decisions, achieving intelligent integration of risk prediction and strategy optimization. Meanwhile, Maivest's innovation in blockchain security, smart contract auditing, and cross-border asset transparency has positioned it as one of the most representative institutions in the global fintech landscape.

Daniel Whitmore, CEO of Maivest, stated: "The future of capital markets will be shaped by intelligent

decision-making. Maivest aims to combine AI with structured assets to make investment decisions more precise and rational.” He added that the company is expanding globally, strengthening strategic collaborations across **Europe, the Middle East, and the Asia-Pacific region**, to build a technology-driven global capital ecosystem.

Guided by the philosophy of ‘**Technology Empowers Capital, Structure Redefines Value**,’ Maivest is redefining the logic of global investment—leading the financial industry toward a new era of greater intelligence, transparency, and efficiency.
