

Mana Skill Announces Its Founder & CEO – Siddartha Pakala, Leading a New Wave of Telugu Digital Learning

Mana Skill aims to bring digital skill education in Telugu to empower youth across India.

Hyderabad, Telangana Jan 2, 2026 ([Issuewire.com](https://www.Issuewire.com)) - Mana Skill, a growing Telugu-based online learning platform, proudly introduces **Siddartha Pakala** as its Founder and CEO.

Founded with a mission to make digital education simple and affordable, Mana Skill focuses on helping Telugu learners master real online skills such as Instagram Marketing, Affiliate Marketing, and Part-

Time Online Work Opportunities.

Under the leadership of Siddartha Pakala, Mana Skill has become a trusted source of practical learning for students, creators, and aspiring entrepreneurs who want to grow their careers in the digital world.

> “Our mission is to help Telugu-speaking learners achieve real financial independence through digital knowledge,” says **Siddartha Pakala, Founder & CEO of Mana Skill**.

Mana Skill continues to expand its range of skill-based courses, empowering individuals to build sustainable online incomes and digital careers.

About Mana Skill:

Mana Skill is a digital learning platform that offers practical and easy-to-understand courses in Telugu. It helps students and professionals gain the skills needed for online success in marketing, freelancing, and content creation.
