

Marqait AI Tools Launch: All-in-One AI for Marketing Automation

Marqait AI, a next-generation AI development company, today announced the official launch of its AI-powered marketing automation tool suite, designed to help startups, SMBs, and creators.

Bengaluru, Karnataka Oct 15, 2025 ([Issuewire.com](https://www.issuewire.com)) - Marqait AI, a next-generation AI development company, today announced the official launch of its AI-powered marketing automation tool suite, designed to help startups, SMBs, and creators automate marketing tasks in minutes.

The newly launched platform offers an all-in-one AI for marketing automation, enabling users to create logos, social media posts, ad campaigns, and branded content effortlessly. With Marqait AI, businesses no longer need multiple tools or complex workflows to manage their marketing.

“Our mission is to make AI simple, accessible, and impactful for every business,” said Mohammed Aamir, Co-Founder & CEO of Marqait AI. “We built this platform to empower marketers, startups, and creators to work smarter, not harder. With just a few clicks, anyone can launch a campaign, build a brand identity, or generate content that truly connects with their audience.”

Key Tools of Marqait AI for Marketing Automation:

- **AI Logo Generator:** Marqait AI is introducing BrandMark AI, the AI logo generator, which helps users to create a logo design in seconds.
- **AI Social Media Post Generator:** The ContentSpark AI of Marqait helps to generate engaging

social media posts. This AI tool creates social media posts for Instagram, Facebook, LinkedIn, Twitter (X), and more.

- **AI Brand Book Generator:** another AI for marketing automation from Marqait AI is the BrandBlueprint AI. This tool helps to make a Brand book.
- **AI Reel Generator:** Introducing ReelCraft AI from Marqait. This is the AI reel and video generator tool.
- **AI Ad Campaign Generator:** AdPilot AI from Marqait AI, this is the best AI Ad generator tool that creates winning Ads with AI, runs Google Ads automatically.
- **AI Photo Editor:** This AI tools help to edit the photo online with AI. This Marqait AI photo editor has a range of features like Background Remover, Edit Text in Image, Retouching, Image Enhancer, Object Removal, Blur Effect, and more.

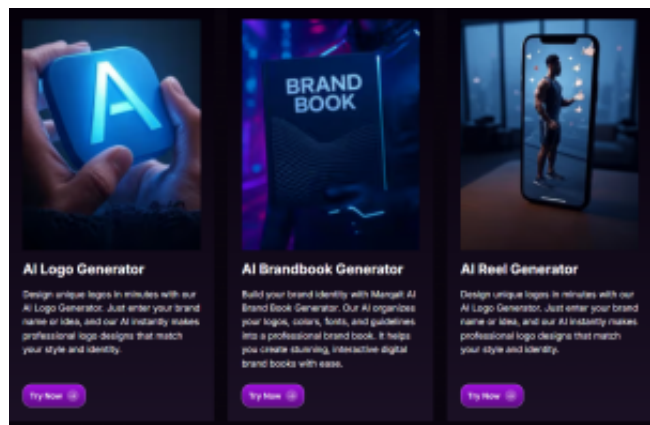

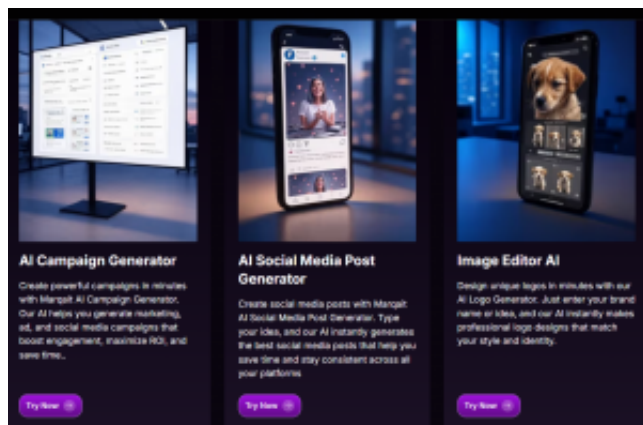

Unlike traditional single-use AI tools, Marqait AI combines multiple functionalities in one platform, making it faster, more affordable, and more efficient for marketing automation.

Availability

Marqait's all AI tools are available for everyone starting October 15, 2025, at www.marqait.com/ai-tools. All users can sign up for a **one-month free trial** to explore the platform and discover how AI can transform marketing workflows.
