Complete Healthcare at Home

Nashik, Maharashtra Oct 30, 2025 ([Issuewire.com](https://www.Issuewire.com)) - Medola recognises the demanding schedules of highly skilled practitioners. The platform is designed to be a streamlined professional extension, enabling doctors to leverage their expertise during non-scheduled hours—such as early mornings, evenings, or weekends—to connect with verified patients requiring home-based care, all without the

administrative burden.

"Our mission is twofold: we are here to provide convenient care to Nashik's families and to empower our healthcare partners with control and capacity," said Dr. Nisha Rathod (Jadhav), CEO at Medola. "Medola transforms a professional's available time into a high-value opportunity, backed by our core commitment to security. We manage the logistics and guarantee a pre-vetted, safe environment, ensuring every house call is focused entirely on clinical excellence."

Join Nashik's Leading Home Healthcare Network

Medola invites certified professionals to partner with the platform and utilise their expertise in a new and rewarding setting:

Doctors (MBBS/MD): For specialised and general home consultations.

Nurses (ANM/GNM/BSc): For postoperative, critical, and specialised care.

Lab Technicians (DMLT/BSc): For secure, at-home sample collection and diagnostics.

Interested local healthcare professionals are encouraged to register and verify their credentials on the Medola App today to begin maximizing their professional capacity in the Nashik market.

About Medola

Medola is a digital healthcare platform founded on the principle that medical care should be accessible, reliable, and comfortable for everyone. Guided by its core values of Compassion, Trust, Convenience, and Empowerment, Medola utilizes technology to deliver comprehensive, professional, and transparent medical services—including doctors, nurses, labs, and pharmacies—directly to the patient's home.
