

Miss Man International Education and Spirit of Math Partner to Bring International Spirit of Math Contest to Hong Kong

for 2025-26 School Year

North York, Ontario Oct 9, 2025 ([Issuewire.com](https://www.issuewire.com)) - [Miss Man International Education](#) and [Spirit of Math](#) are thrilled to announce an exciting collaboration that will bring the International Spirit of Math Contest to Hong Kong for the 2025-26 school year.

The partnership is a continuation of Spirit of Math's unwavering commitment to promote co-operation, inspire confidence and release the genius in every child all around the world. This collaboration will give Hong Kong students the opportunity to showcase their abilities on an international stage, while growing their confidence and skills which they will need for future success.

"At Spirit of Math, we are dedicated to revolutionizing education for students everywhere," said Kim Langen. "We are excited to support Miss Man International Education in their mission to cultivate young talent and help students realize their greatest potential."

Miss Man International Education is a global leader in academic enrichment, offering a diverse portfolio of educational services designed to inspire students and elevate institutions. Through a dynamic range of international competitions and assessments in English, Mathematics, Science, STEM, Chinese, Business, and the Arts, Miss Man empowers learners to discover their strengths, pursue excellence, and unlock their full potential. With a commitment to innovation and inclusivity, the organization supports partner teachers and schools in creating meaningful success stories and expanding access to global education.

As a strategic partner, Miss Man International Education brings a wealth of experience in fostering academic achievement and cross-cultural engagement. Together, we aim to broaden horizons for Hong Kong's youth by connecting them with international platforms, nurturing talent, and cultivating the skills and networks essential for future success. This collaboration marks a new chapter in our shared mission to deliver transformative learning experiences and build bridges between students, educators, and institutions worldwide.

Through this new partnership with Spirit of Math, Miss Man International Education continues its mission to unlock student potential and provides opportunities for them to shine on an international stage.

The partnership is one of many collaborations Spirit of Math is undertaking with international organizations to bring the International Spirit of Math Contest to every corner of the world. Competitive events such as these offer children an excellent opportunity to develop important skills such as analysis, problem solving and critical thinking. They also get the personal satisfaction (and motivational boost) of tackling and conquering some of the hardest questions.
