

# Mwambe Consultancy and Spirit of Math Partner to Bring International Spirit of Math Contest to Tanzania

for 2025-26 School Year

**North York, Ontario Oct 9, 2025** ([IssueWire.com](https://www.IssueWire.com)) - [Mwambe Consultancy](#) and [Spirit of Math](#) are thrilled to announce an exciting collaboration that will bring the International Spirit of Math Contest to Tanzania for the 2025-26 school year.

The partnership is a continuation of Spirit of Math's unwavering commitment to promote co-operation, inspire confidence and release the genius in every child all around the world. This collaboration will give Tanzanian students the opportunity to showcase their abilities on an international stage, while growing their confidence and skills which they will need for future success.

"At Spirit of Math, we are dedicated to revolutionizing education for students everywhere," said Kim Langen. "We are excited to support Mwambe Consultancy in their mission to cultivate young talent and help students realize their greatest potential."

Mwambe Consultancy is a trusted partner in business development and entrepreneurship, offering tailored solutions that empower individuals, startups, and organizations to thrive in today's competitive landscape. With a deep understanding of the challenges faced by emerging enterprises, Mwambe Consultancy provides strategic guidance, capacity-building education programs, and operational support to foster sustainable growth across Tanzania and beyond. The firm's commitment to education, innovation, inclusivity, and long-term impact positions it as a catalyst for economic empowerment and business excellence.

As a strategic collaborator, Mwambe Consultancy brings a wealth of experience in nurturing entrepreneurial talent and strengthening educational resilience. This partnership aims to unlock new opportunities for aspiring business leaders and students by connecting them with practical tools, expert mentorship, and regional networks essential for success. Together, we are shaping a future where visionary ideas are transformed into thriving ventures, and where communities benefit from inclusive, locally driven development.

Through this new partnership with Spirit of Math, Mwambe Consultancy continues its mission to unlock student potential and provides opportunities for them to shine on an international stage.

The partnership is one of many collaborations Spirit of Math is undertaking with international organizations to bring the International Spirit of Math Contest to every corner of the world. Competitive events such as these offer children an excellent opportunity to develop important skills such as analysis, problem solving and critical thinking. They also get the personal satisfaction (and motivational boost) of tackling and conquering some of the hardest questions.
