

Newport Fasteners announces a bulk discount program for high-quality screws aimed at industrial buyers and retailers

Wholesale screws are now available at lower bulk prices. They offer strong performance and durability. Plus, you can rely on shipping across the country from Newport Fasteners.

Norwalk, California Oct 8, 2025 ([Issuewire.com](https://www.issuewire.com)) - A new **bulk purchase discount** program on its wide selection of screws has been announced by **Newport Fasteners**, a reputable supplier of industrial-grade fasteners. The program is intended to help retailers, contractors, industrial buyers, and do-it-yourselfers who need a lot of [screws](#) for their projects. Newport Fasteners' dedication to providing strength, durability, and value throughout its product line is further demonstrated by this most recent offering.

Customers can save more as they make larger purchases thanks to the new program's tiered discounts on all screw orders above certain purchase values. Orders over \$500 are discounted by 5%, and orders over \$1,100, \$2,100, and \$4,100 are eligible for discounts of 11%, 16%, and 21%, respectively. For companies that depend on making large purchases of premium-grade screws, the structure guarantees competitive pricing.

"For our customers, buying in bulk should always offer real value," said a Newport Fasteners spokesperson. "This new bulk discount program lets contractors, retailers, and industrial buyers save money without sacrificing quality. With our fast shipping and reliable service, it's a win-win for everyone."

Built for Strength, Durability, and Performance

Newport Fasteners supplies high-strength, corrosion-resistant screws for heavy-duty applications in various industries. The company's product catalog includes [woodworking screws](#), machine screws, self tapping screws, [self drilling screws](#), [concrete screws](#), deck screws, drywall screws, and more. Each product is made to meet strict quality standards, ensuring reliable performance in both commercial and residential projects.

With a 99% order fill rate and multiple warehouse locations, Newport Fasteners ensures fast and accurate fulfillment across the United States. Customers can easily buy screws online and have them delivered quickly. They benefit from free USA shipping on qualifying orders and a smooth shopping

experience.
