

Nigerian Afrobeat Artist Le gen dary Inspires Hope and Resilience with Debut EP Roots and Rhythm

Rising Nigerian Afrobeat and Afrofusion artist Le gen dary releases his debut EP *Roots and Rhythm*, blending rhythm, emotion, and storytelling to uplift listeners.

Uromi, Edo Oct 21, 2025 ([Issuewire.com](https://www.issuewire.com)) - Nigerian Afrobeat and Afrofusion artist **Le gen dary** (real name **Meshach Akhuetiemenhen**) has released his debut EP, *Roots and Rhythm*, a deeply personal and uplifting project that turns life experiences into music.

Roots and Rhythm blends Afrobeat rhythms with heartfelt storytelling, exploring themes of hope, resilience, and staying true to one's roots. Through this project, Le gen dary shares a message of perseverance, drawing inspiration from his upbringing in **Esan North East, Edo State, Nigeria**.

"I created *Roots and Rhythm* to remind people that no matter the struggle, our strength comes from our roots and rhythm keeps us moving forward," says Le gen dary.

The EP introduces his unique blend of soulful melodies, energetic drums, and motivational lyrics positioning him as one of the new voices shaping the next wave of Nigerian music.

Listeners can stream *Roots and Rhythm* on major platforms including **Spotify, Apple Music, and YouTube**.
