video walkthrough: [Video Walkthrough](#)

Families and individuals looking to upgrade their lifestyle can find an exclusive open-house property near Los Angeles. This beautiful townhome is situated in the Monterey Park area, and the owners can find everything within their neighborhood. The property has just been listed and is built on 0.81 Acres, offering spacious accommodations in a fine location on Garvey Avenue Road. The townhouse is recently remodeled, and it belongs to a secure, gated small community. It is the perfect property for everyone, and it is absolutely ready to move in.

This gorgeous house is equipped with all the modern amenities, and owners are not required to worry about shipping. Although there are no partition walls between the kitchen and dining room, it consists of a custom-designed handrail with beautiful glass all over. The kitchen comes with custom-designed cabinets, a granite countertop island, and recessed lights installed everywhere. There is also a large master bedroom with an amazing treetop view from the balcony. Owners can also find a very large closet as well as two-car attached garages within the house.
