

Origin X™ Launches as the World's First Spiritual Bootcamp for Elite Leaders on the Frontlines of Global Change

November 21–25th, chosen initiates head to Tulum, MX for a four-day immersive spiritual training ground designed to rewire the body, awaken spiritual gifts, and forge the next generation of world-builders, disruptors, healers, and sacred warriors.

Atlanta, Georgia Oct 10, 2025 ([Issuewire.com](https://www.issuewire.com)) - In a time when burnout is rampant and performative healing is everywhere, a new kind of training is emerging—and the world is paying attention.

Origin X™ is a 4-day immersive spiritual bootcamp where power meets precision, and gifts are forged through fire—not fluff. Held inside a private sanctuary in Tulum, Mexico, this elite experience brings together global leaders, visionary healers, and high-capacity innovators for what many are calling *military-grade training meets the X-Men school of the spirit*.

Founded by **Phoenix White**—Global activator, international speaker, master healer, and founder of **The Sacred Celestial™**—Origin X™ is designed to awaken sacred disruptors and catalyze those who are here to rewire the world.

Participants will undergo advanced mind-body recalibration, somatic mastery, energetic command training, and deep activation of their **spiritual gifts and multidimensional capacities**—not just as a concept, but as a lived, embodied force that impacts how they lead, create, and serve.

From firewalking and sword training to biohacking tools, breath recalibration, and command drills, **Origin X™** breaks down old survival loops while unlocking the body and energy field as a precise

instrument for spiritual leadership. Every element is designed to strengthen your ability to channel, hold, and direct energy with integrity.

“This is sacred training for the ones called to lead. The trailer alone feels like a beacon—activating those who know they were born for the front lines,” says Phoenix White.

Origin X™ is now enrolling its final **7 initiates** for November 21–24, 2025. Leaders across industries—spiritual, corporate, wellness, and legacy impact—are converging for what’s already being called one of the most powerful initiatory experiences of the decade.

Sponsorships, partnership placements, and press opportunities are available now.
