Canada's Home Evaluation Tool

Edmonton, Alberta Oct 6, 2025 ([Issuewire.com](https://www.Issuewire.com)) - OurHousePrice.ca — one of Canada's most innovative home value tools — has expanded its free AI-powered market reports across Alberta, helping homeowners in Edmonton, Calgary, Leduc, Sherwood Park, Spruce Grove, St. Albert, and nearby communities instantly discover their property's true worth.

"Our mission has always been to give homeowners the clearest, most accurate picture of their property's value," said **Eric Beaverford of Maxwell Polaris**, the lead Realtor behind the project. "With our AI technology and professional oversight, Alberta homeowners can understand their real market position in seconds."

Unlike basic estimators, **OurHousePrice** combines artificial intelligence with municipal and MLS® data to deliver pinpoint accuracy. Each valuation is verified by licensed professionals to ensure results reflect actual market activity — not just algorithms.

Homeowners using **OurHousePrice** can now:

- Instantly receive AI-generated estimates based on live market data.
- Compare values to the official City of Edmonton assessment.
- Access current MLS® listings directly through YEG4Sale.ca.
- Request a **free professional market evaluation** from a licensed Realtor for a top-dollar sale.

With coverage now spanning over **50 Alberta cities and towns**, OurHousePrice.ca continues to lead in transparency, accuracy, and innovation for Canadian homeowners.
