

Peggy Dinkel, RN, BSN, BS, CEN ED/ICU: A Beacon of Excellence in Emergency Nursing

Dedicated to Advancing Patient Care and Leadership in Trauma and Critical Care in Virginia

Alexandria, Virginia Oct 30, 2025 ([Issuewire.com](https://www.Issuewire.com)) - Peggy Dinkel, RN, BSN, BS, CEN ED/ICU, a distinguished Registered Nurse and Certified Emergency Nurse, has joined Medely as an Emergency Department Registered Nurse as of December 2024. With a wealth of experience in emergency, trauma, and critical care nursing, Peggy is renowned for her dedication, expertise, and an unwavering

commitment to improving patient lives in urgent and complex situations.

In her role at Medely, Peggy is responsible for triaging ambulance patients and initiating treatment protocols as necessary, ensuring that every patient receives the highest quality of care. Her impressive track record includes vital contributions to the Emergency Departments at Saratoga Hospital and The University of Vermont Health Network, where she effectively managed high patient volumes while actively participating in EMR conversion initiatives.

Peggy's diverse experience also encompasses her role as a Vaccine Administrator for Walgreens, where she provided COVID-19 vaccinations to the community, along with PRN staffing in various nursing specialties. This breadth of experience has equipped her with the skills necessary to navigate the fast-paced and often unpredictable environment of emergency medicine.

Her academic journey reflects a deep commitment to continuous learning in the nursing field. Peggy earned her Associate of Science in Nursing from Excelsior University in 1995, followed by a Bachelor of Science in Nursing from American Sentinel College in 2022. She is currently pursuing her Master of Science in Nursing from Post University, with an expected graduation date in 2025.

Peggy has consistently demonstrated the core values of communication, safety, and trust throughout her career, making her an invaluable asset to Virginia's healthcare community. Her leadership and professionalism are complemented by numerous accolades, including the John J. Lynch Healthcare Ethics Award from MedStar Health and commendations from the U.S. Army, where she earned the Joint Service Achievement Medal and the National Defense Service Medal.

Attributing her accomplishments to her passion for helping others, Peggy Dinkel is dedicated to providing compassionate, high-quality care and making a significant difference in her patients' lives. Through her expertise and commitment, she continues to elevate the standards of emergency nursing in Virginia, inspiring both colleagues and patients alike.
