

Physicians Revenue Group, Inc. Strengthens Nationwide Presence with Comprehensive Revenue Cycle Management Services

Chicago, Illinois Oct 7, 2025 ([Issuewire.com](https://www.issuewire.com)) - Physicians Revenue Group, Inc. (PRGMD), a trusted leader in medical billing and revenue cycle management (RCM), is reinforcing its commitment to healthcare providers by offering an expanded suite of services designed to improve financial performance, reduce administrative burden, and ensure regulatory compliance across all 50 states.

Headquartered in Downers Grove, Illinois, PRGMD delivers end-to-end revenue cycle management solutions, from claim submission to reimbursement — enabling physicians, clinics, and hospitals to focus on patient care while optimizing cash flow.

PRGMD's core services include:

- **Medical Billing and Coding:** Accurate, specialty-specific billing supported by certified coders and industry-leading software.
- **Revenue Cycle Management:** Comprehensive handling of the entire revenue cycle, including charge capture, payment posting, and denial management.
- **Credentialing and Enrollment:** Streamlined provider credentialing with major payers, ensuring faster onboarding and continuous compliance.
- **Denial Management and AR Recovery:** Targeted claim follow-up and appeals to recover delayed or denied payments efficiently.
- **Compliance and Consulting Services:** Expert guidance to help practices meet HIPAA, CMS, and payer-specific regulations.
- **Performance Analytics and Reporting:** Real-time dashboards and performance insights to improve decision-making and transparency.

“Our mission is simple, to help physicians get paid accurately and on time,” said **Mansoor Ahmad, CEO of Physicians Revenue Group, Inc.** “By combining technology, experience, and personalized support, we’ve built solutions that deliver measurable financial improvements for medical practices nationwide.”

PRGMD's team of billing experts, certified coders, and RCM consultants currently supports **clients across more than 50 medical specialties**, including cardiology, orthopedics, behavioral health, internal medicine, and family practice. The company's technology-driven approach has consistently improved clean claim rates, reduced denials, and increased practice profitability.
