

Rasha Professional Announces the Pre-Launch of K2FX – Redefining the Future of Professional Lighting

The pre-launch event will provide industry leaders, lighting designers, and media professionals with an exclusive first look at the K2FX.

Riverside, California Oct 3, 2025 ([Issuewire.com](https://www.issuewire.com)) - [Rasha Professional](https://www.rashaprofessional.com), a global innovator in advanced lighting solutions, proudly announces the upcoming launch of its next-generation fixture — [K2FX](https://www.rashaprofessional.com/k2fx). Designed with cutting-edge technology and tailored to the needs of lighting professionals, K2FX is set to raise the benchmark for stage, event, and broadcast lighting.

Key Highlights of the K2FX Pre-Launch:

- **Zoom 5°–55°:** Precision versatility from powerful beams to broad washes.
- **Intuitive NFC Menu System:** Fast, touch-enabled setup without powering the unit.
- **Wireless DMX:** Seamless connectivity for faster, cable-free installations.
- **Infinite Pan & Tilt:** Limitless motion for breathtaking visual effects.
- **Flicker-Free, Camera-Safe Technology:** Perfect for film, television, and live streaming.

The **pre-launch event** will provide industry leaders, lighting designers, and media professionals with an exclusive first look at the K2FX. Attendees will experience live demonstrations showcasing its unmatched performance, sleek design, and future-ready control systems.

K2FX is the culmination of Rasha Professional's dedication to innovation, reliability, and performance excellence. With its official launch around the corner, the pre-launch event promises to inspire anticipation and excitement within the global lighting community.
