Hartford, Connecticut Oct 10, 2025 ([Issuewire.com](https://www.issuewire.com)) - RealEstateCollege.us, a leading provider of online real estate education, today announced the launch of its new, incredibly affordable 60-hour pre-license course for aspiring real estate agents in Connecticut. Designed to remove financial and scheduling barriers, the course is offered for a single low fee of \$199 or an innovative pay-as-you-go plan of \$18 per module.

This comprehensive course meets all the educational requirements set by the Connecticut Real Estate Commission for salesperson licensing. RealEstateCollege.us is committed to providing exceptional value, making it one of the lowest-cost online real estate schools in the state without compromising on the quality of education.

“The path to a new career in real estate should be accessible to everyone,” said Dr. Rodney Farthing, founder and lead instructor of RealEstateCollege.us. “For over 25 years, I’ve seen how cost and rigid schedules can deter talented individuals from entering this rewarding field. With this new Connecticut course, we’ve torn down those walls. We offer a premium education at an unprecedented price, with the flexibility modern students need to succeed.”

Unmatched Flexibility and Affordability

Prospective students can choose the payment plan that best fits their budget:

* One-Time Payment: A single payment of \$199 for the entire 60-hour course.

* Pay-As-You-Go Plan: \$18 per module for 20 individual modules, allowing students to manage their education costs with ease.

Both options include full access to RealEstateCollege.us’s flexible learning schedule, which offers day, evening, and weekend classes entirely online. This allows students to balance their education with work, family, and other commitments.
