

Sangram Patnaik: Shaping a Sustainable Future Through Subhashree's Global Vision

Shaping a Sustainable Future Through Subhashree's Global Vision

Banki, Odisha Nov 6, 2025 ([Issuewire.com](https://www.issuewire.com)) - In a world where businesses often chase profits, **Sangram Patnaik** has chosen a different path — one that blends purpose with progress. As the founder and driving force behind **Subhashree Groups**, he's redefining what it means to be an entrepreneur in the 21st century.

???? Empowering Communities, Building Futures

Originating from Odisha, Patnaik's vision was never limited by borders. Under his leadership, **Subhashree Groups** has expanded into multiple sectors — technology, digital education, skill development, and sustainability — with a clear mission: *empower people through opportunity and innovation*.

Projects like **Subhashree Skill Development & Computer Education (SSD&CE)** and **The Leafy Project** are equipping youth and rural citizens with vital skills while promoting environmental awareness. Through **Subhashree Internet World**, Patnaik is ensuring that even India's remote areas stay connected to the digital revolution.

???? Taking the Vision Beyond India

Patnaik's journey has now reached Africa, where **Subhashree Foundation Africa Ltd.** is advancing education, digital inclusion, and sustainable growth initiatives. His work is helping bridge continents — turning shared challenges into shared opportunities.

???? Innovation That Inspires

Beyond corporate ventures, Patnaik's creative project **The Last Kitchen** blends global flavors and sustainable design. Drawing inspiration from Japanese Izakayas and Korean Hanoks, it brings together culture, art, and responsibility — redefining the idea of conscious hospitality.

???? A Mission Aligned with Global Goals

Every initiative under Subhashree Groups aligns with the **United Nations Sustainable Development Goals (SDGs)** — proving that business success and social responsibility can grow hand in hand. Patnaik believes true entrepreneurship means leaving a lasting, positive mark on people and the planet.

???? About Subhashree Groups

Recognized under **MSME**, **Startup India**, and **ISO** standards, Subhashree Groups has become a model of inclusive, forward-thinking enterprise. With roots in Odisha and branches across India and Africa, the company continues to promote innovation, education, and environmental leadership.
