

Securmans Redefines Security & Blue-Collar Services in India with Affordable, Tech-Based Solutions

Securmans Redefines Security & Blue-Collar Services in India with Affordable, Tech-Based Solutions

SECURMANS

SECURITY & MANPOWER SERVICES FVT LTD

Bengaluru, Karnataka Oct 31, 2025 ([Issuewire.com](https://www.issuewire.com)) - [Securmans Security & Manpower Services Pvt. Ltd.](#) — a leading manpower and security services company based in Bangalore — is transforming the way organizations and communities hire security guards, housekeeping staff, valet attendants, drivers, and other blue-collar professionals.

By combining **affordability with uncompromised quality**, Securmans is rapidly becoming a trusted partner across **Tier 1 and Tier 2 cities**, giving tough competition to traditional service providers in the market.

Services Offered

Securmans provides a complete range of professional manpower solutions:

- [Security Guards](#) for residential, corporate, industrial, and event-based needs.
- [Housekeeping Services](#) ensuring hygiene, cleanliness, and maintenance.
- **Valet Parking & Driver Services** for commercial establishments and premium events.
- **Specialized Personnel** like bouncers, gunmen, and personal guards for high-security requirements.

Each category is backed by rigorous screening, training, and supervision standards that ensure reliability and professionalism.

USP: Affordability Meets Quality

Securmans' unique proposition lies in delivering **top-tier manpower services at affordable pricing and problem solving** — bridging the gap between cost efficiency and premium quality.

“Our mission is simple — to make reliable and professional manpower accessible to every business and household without inflating costs,” said Aminul H, Chairman & Founder, Securmans.

Upcoming IOS & Android App: The First Tech-Based Platform in India

Securmans is gearing up to launch its **dedicated IOS and Android app**, which will address long-standing issues in the security and blue-collar manpower industry.

The app will feature:

- **Real-time workforce tracking and deployment dashboards**
- **Transparent pricing, billing, and service feedback**
- **In-app communication and escalation channels**

This ecosystem will make Securmans **the first tech-based security and blue-collar service provider in India**, revolutionizing the manpower sector with transparency, traceability, and technology integration.

Learn more about the upcoming digital platform at Securmans Official Website.

Expansion Across India

After establishing a strong foothold in **Bangalore**, Securmans is expanding to **Mumbai, Delhi NCR, Hyderabad, Pune, Coimbatore, Mysore, and other Tier 2 cities**, with a vision to become a nationwide brand offering reliable workforce solutions at scale.

Securmans' **rapid growth and competitive pricing** have made it one of the fastest-emerging names in the manpower and security sector.
