

Smile Delhi – The Dental Clinic Elevates Dental and Cosmetic Care in the Heart of India’s Capital

Delhi, India Oct 28, 2025 ([Issuewire.com](https://www.issuewire.com)) - In an era marked by increasing demands for specialized, high-quality healthcare, [Smile Delhi – The Dental Clinic](#) stands out as a beacon of excellence in South Delhi’s dynamic healthcare landscape. Nestled in the leafy neighborhood of **New Friends Colony**, the clinic blends decades of experience, advanced dental technology, and heartfelt patient care to deliver a new benchmark in oral health and aesthetic dentistry for both local and international patients.

A Legacy of Trust & Expertise, Led by Dr. Supriya B. Bhatia

Founded in 2011, Smile Delhi – The Dental Clinic is the brainchild of Dr. Supriya B. Bhatia, the Principal Dentist and driving force behind the practice. With over 25 years of clinical experience, Dr. Bhatia has built a reputation as one of Delhi’s most respected dental professionals. Her vision is rooted in providing *ethical, transparent, and patient-centered care* — a philosophy that has shaped every aspect of the clinic’s operations.

Under her leadership, Smile Delhi – The Dental Clinic has grown into a multidisciplinary dental center with a team of seven specialist dentists, each an expert in their own field, including implantology, orthodontics, cosmetic dentistry, pediatric care, periodontics, and oral surgery. This specialist-based model allows Smile Delhi – The Dental Clinic to provide complete dental care under one roof, ensuring precision, efficiency, and comfort at every stage of treatment.

Dr. Bhatia’s approach to dentistry goes beyond fixing teeth; she focuses on restoring confidence and improving overall wellbeing. Her personalized attention and compassionate demeanor have earned the

trust of thousands of patients — from working professionals in Delhi to international visitors seeking world-class dental solutions.

Comprehensive Dental & Aesthetic Services

At Smile Delhi – The Dental Clinic, patients can expect comprehensive, customized care that addresses every dental concern — from prevention to restoration, aesthetics, and beyond.

Core services include:

- **Preventive & General Dentistry:** Routine check-ups, dental cleanings, cavity fillings, fluoride applications, gum treatments, and oral hygiene education.
- **Cosmetic Dentistry & Smile Makeovers:** Porcelain veneers, professional teeth whitening, cosmetic bonding, and digital smile design for flawless results.
- **Orthodontics & Alignment:** Metal braces, ceramic braces, and clear aligners (Invisalign-style systems) for all age groups.
- **Dental Implants & Full-Mouth Rehabilitation:** Single-tooth implants, implant bridges, and All-on-X full-arch solutions for long-lasting, natural-looking replacements.
- **Pediatric Dentistry:** Gentle, prevention-focused dental care for children that builds positive habits early.
- **Oral Surgery & Wisdom Tooth Extractions:** Safe, precise procedures performed by experienced oral surgeons.
- **Emergency Dental Care & Second Opinions:** Same-day appointments for urgent cases and professional advice for ongoing or complex treatments.

Each treatment plan is developed after a detailed consultation, diagnostic imaging, and open discussion with patients. Smile Delhi – The Dental Clinic emphasizes honest recommendations, transparent pricing, and patient empowerment, ensuring that every individual receives care aligned with their needs, goals, and comfort level.

Technology-Driven Dentistry in a Calming Environment

Smile Delhi – The Dental Clinic combines the warmth of personalized care with the precision of digital dentistry. The clinic is equipped with state-of-the-art tools such as:

- **Digital X-rays** for fast, safe imaging

- **Intraoral scanners** for accurate impressions
- **Guided implant surgery systems** for predictable outcomes
- **Laser dentistry** for painless, minimally invasive treatments
- **Strict sterilization and hygiene protocols** meeting global safety standards

The clinic interior has been thoughtfully designed to reduce anxiety — with a clean, serene ambiance, ergonomic dental chairs, and private treatment spaces. Patients also benefit from online appointment booking, digital records, and flexible scheduling, ensuring an effortless dental experience from start to finish.

A Global Hub for Dental Tourism

While Smile Delhi proudly serves the people of the capital, it has also become one of India's leading dental tourism destinations. Over the years, the clinic has treated patients from more than 82 countries, including the UK, USA, Australia, New Zealand, Canada, and across the Middle East.

International patients are drawn to the clinic's world-class standards, affordable treatment packages, and personalized hospitality. Many visit Delhi for short dental vacations, combining expert care with cultural exploration — a concept Dr. Bhatia and her team have championed with great success.

From single-visit root canals to complete smile transformations, Smile Delhi's ability to deliver results with speed, precision, and comfort has made it a trusted name in global dental tourism.

Deeply Rooted in the Delhi Community

Situated at D-1065, Block D, Friends Colony East, New Friends Colony, New Delhi, Delhi 110065, Smile Delhi is strategically located in one of South Delhi's most accessible and reputable neighborhoods.
