Delhi, India Oct 10, 2025 (Issuewire.com) - Student Cover Strengthens Access to Overseas Education Loans Through Strategic Partnerships with Leading Financial Institutions

Student Cover, a trusted name in student-centric financial solutions, has announced strategic tie-ups with India's and the world's leading financial institutions to simplify and accelerate the overseas

education loan process for Indian students.

Through partnerships with **Credila, Avanse, Auxilo, InCred, TATA Capital, Prodigy, Union Bank, ICICI Bank, IDFC First Bank, Avanse Global, MPower, Axis Bank, and Yes Bank**, Student Cover is expanding its network to offer students a seamless and transparent loan experience for studying abroad.

These collaborations allow Student Cover to provide **customized education loan options** — both **secured and unsecured** — that cater to diverse student needs, covering tuition fees, living expenses, travel, and other academic costs across top global universities.

With an extensive partner network and dedicated loan experts, Student Cover ensures students receive **end-to-end support**, from loan comparison and eligibility checks to disbursement and post-sanction assistance. This initiative reinforces Student Cover's commitment to empowering students to pursue their global education dreams without financial barriers.

About Student Cover

Student Cover is India's leading education finance facilitator, offering comprehensive solutions including [overseas education loan](#), **health insurance for international students, and financial guidance** for those pursuing studies abroad. With a student-first approach, Student Cover bridges the gap between financial institutions and aspiring students, ensuring a smooth journey toward global academic success.
