

Sumit Impex Expands Global Reach as a Leading Manufacturer and Exporter of Industrial Fasteners and Flanges

Mumbai, Maharashtra Oct 26, 2025 ([IssueWire.com](https://www.issuewire.com)) - Sumit Impex, a premier manufacturer and exporter of high-quality fasteners, flanges and fittings, is delighted to announce its continued commitment to supply excellence, product innovation and global expansion in the industrial metals sector. With nearly two decades of experience in the Indian market, Sumit Impex is poised to grow further and serve major industries worldwide.

Company Overview

Based at 21/23, 2nd Carpenter Street, Mumbai-400004, [Sumit Impex](#) specialises in manufacturing and exporting a comprehensive range of industrial metal products. These include fasteners (nuts, bolts, washers, stud bolts), flanges, butt-weld and forged fittings, sheets & plates, pipes & tubes — across a variety of materials such as stainless steel, duplex & super duplex steels, nickel alloys, Inconel/Incoloy, Monel, Hastelloy, cupro-nickel and aluminium.

Key Strengths & Service Highlights

- **Extensive Product Portfolio:** The company covers both standard and customised components such as stud bolts, washers weight charts, flanges in exotic alloys, etc.
- **Materials Expertise:** Deep capability across materials including high-nickel alloys and duplex/super duplex steels – enabling supply to demanding industrial applications.
- **Quality Commitment:** Sumit Impex emphasises ISO certification and robust quality policy frameworks to ensure customer requirements are met.

- **Customer-Centric Support:** Offering 24/7 support and efficient response services, making it easier for clients to procure and manage complex supply chains.
- **Global Reach & Export Focus:** Although headquartered in India, the company positions itself as a trusted supplier for clients globally in industries such as oil & gas, petrochemical, power generation, marine and aerospace.

Vision & Market Outlook

Sumit Impex is committed to becoming an even stronger partner for industries requiring high-performance metal components. As demand grows for advanced alloys and precision manufacturing, the company is aligning its operations, quality systems and product development to meet the evolving needs of global supply chains.

With a focus on **timely delivery**, **material traceability**, and **customised solutions**, Sumit Impex aims to reinforce its reputation as a leading manufacturer and exporter in India and beyond.

About Sumit Impex

Founded and based in Mumbai, Sumit Impex is a manufacturer and exporter specialising in fasteners, flanges, fittings, sheets, plates, pipes and tubes across a wide spectrum of materials.
