

TAPN2U Global Peace Movement 2026

A Movement of Peace, A Message in Fabric — TAPN2U Global Peace Partners and Miracle “T”s wear and share words that heal minds, uplift hearts, and radiate peace through communities everywhere.

Detroit, Michigan Oct 2, 2025 ([Issuewire.com](http://www.Issuewire.com)) - The TAPN2U Movement proudly celebrates the historic recognition of **January 17, 2025, as TAPN2U Global Peace Movement Day**, proclaimed by Michigan Governor Gretchen Whitmer. This tribute affirms TAPN2U's dedication to fostering peace, thought healing, self-awareness, and global unity through its initiatives, partnerships, and symbolic Miracle “T”s.

Building on this honor, TAPN2U is preparing for **Global Peace Week, January 11 until 17, 2026**. Throughout the week, 170 short peace videos will air worldwide across social media platforms, offering messages from Sisters and Brothers all over the world. The celebration will culminate on **Saturday, January 17, 2026**, with the **Poets of Peace Showcase**, featuring creative voices from around the

globe sharing transformative works dedicated to peace.

Guided by the affirmation *"Manifestation is in the Belief,"* the TAPN2U Movement reminds individuals that inner faith and peaceful knowing are the foundation for lasting peace. The Miracle "T" shirts carry this vibration as wearable, powerful principles, empowering people everywhere to manifest clarity, harmony, and collective healing.

Dr. Anita C. Powell, founder of TAPN2U, shared:

"The Governor's recognition of January 17, 2025, as TAPN2U Global Peace Movement Day is an incredible milestone. Because of this, our greater vision is unfolding in 2026, where an entire week of global video montages and our Poets of Peace celebration will show how belief transforms reality. Together, we will manifest peace as a lived experience across the world."

Special recognition is extended to the Global Peace Partners and the Miracle "T"s Community Peace Partners, whose dedication and commitment continue to amplify the impact of the Movement worldwide.

About the TAPN2U Movement

The TAPN2U Movement, LLC, is an international initiative rooted in self-awareness, energy presence, inner peace, thought healing, and global peace. Through signature programs, consultations, workshops, virtual global conferences, and the Principle Statement Miracle "T"s, TAPN2U empowers individuals to enhance soul & self-awareness, recognize their inner power, cultivate clarity, and spread the message: Join the Movement – Spread the Word – Increase the Peace.
