

The International Supply Chain Protection Organization Welcomes Contguard as a Preferred Partner

ISCPO Welcomes Contguard as Preferred Partner to Drive Innovation in Supply Chain Risk Management and Global Cargo Security

Dallas, Texas Oct 13, 2025 ([Issuewire.com](https://www.issuewire.com)) - The International Supply Chain Protection Organization (ISCPO) proudly welcomes Contguard as its newest Preferred Partner, reinforcing its commitment to advancing security, innovation, and visibility across global supply chains.

“Turning Visibility into Control, and Risk into Resilience”

Contguard provides an advanced cargo security and risk management platform integrates IoT technology, AI-powered analytics, and 24/7 expert monitoring. By delivering real-time visibility and actionable intelligence, [Contguard](#) enables companies to prevent loss, protect high-value goods, and strengthen supply chain resilience worldwide.

*“The ISCPO is proud to have Contguard join the Preferred Partner Program, said **Byron Smith, ISCPO President & Chairman**. Contguard addresses the needs of the supply chain security community by delivering visibility and the necessary intelligence required to help global companies safeguard their goods and build a more resilient supply chain.”*

This partnership supports ISCPO’s mission to connect leading organizations that share a dedication to excellence in supply chain protection and continuous improvement through collaboration and innovation.

*“We’re honored to join the ISCPO community as a Preferred Partner,” said **Yiftach Nativ, CEO of Contguard**. “Every minute, somewhere in the world, a shipment is compromised—stolen, tampered with, or silently damaged. At Contguard, our mission has always been to empower global companies to move goods with confidence, ensuring every mile is safeguarded, every risk is managed, and every promise is kept.”*

About **Contguard**:

[Contguard](#) is a global leader in cargo security and supply chain risk management. Through its AI-driven platform and advanced IoT devices, Contguard delivers a cutting-edge solution that empowers global businesses with unparalleled in-transit visibility, control, and sustainability, ensuring that supply chains remain protected, optimized, and resilient.
