

The Literaverse Has Arrived! C.M. James Writes Launches a Cinematic Reading.

The first official Literaverse release, *Dreamfall: The Horror REMains* by C.M. James and Elora Wynne, introduces sound-driven storytelling that fuses books, music, and film-level audio.

Nashville, Tennessee Oct 18, 2025 ([Issuewire.com](https://www.issuewire.com)) - C.M. James Writes LLC proudly unveils **The Literaverse**, a new platform where reading meets cinema and sound. Its first release, *Dreamfall: The Horror REMains* by authors C.M. James and Elora Wynne, marks a milestone in immersive storytelling.

Although author C.M. James Writes has already written more than 14 titles and has published multiple authors, this project represents the company's **first official Literaverse release**, a bold leap into audio-integrated..

The Literaverse transforms books into multi-sensory experiences featuring narration, music, and sound design. As founder C.M. James explains, *"It's like watching your favorite movie with your eyes closed in surround sound."*

Each Literaverse title pairs literature with its own **soundtrack and soundscape**, allowing authors to own their audio rights and earn from streams, while musicians can adapt their songs into story-driven companion works. Features include **hyperlinks inside eBooks**, **QR codes in print editions**, and **Spotify soundtracks** released through the company's sister label, [C.M. Jaye Music](#)

Dreamfall: The Horror REMains is the **prequel to the award-listed novel** *Dreamfall: The Worst Night-Affair*, introducing the Literaverse with weekly serialized chapters beginning October 24. The **first chapter is available now for free**: [The Horror REMains Free Chapter](#)

Future volumes will span genres from action and faith-based stories to adult and psychological thrillers offered through an upcoming **subscription platform** at [The LiteraVerse](#)

This is only the beginning. C.M. James Writes LLC is leading the next evolution of reading, **a literary echo-universe where words, sound, and imagination collide**.
