

The Veg Venjan Makes Its Franchise Debut in Himayat Nagar, Hyderabad

Founded by restaurateur Anand Chandak, The Veg Venjan introduces Hyderabad's first-of-its-kind vegetarian buffet with the unique Live Tawa on Table dining concept.

Hyderabad, Telangana Oct 10, 2025 ([Issuewire.com](https://www.issuewire.com)) - The Veg Venjan, a pioneering concept in vegetarian dining, has launched its first franchise outlet in Himayat Nagar, Hyderabad, in collaboration with AJS Enterprises. This marks a significant milestone for the brand, which is the brainchild of seasoned restaurateur Anand Chandak.

Breaking new ground in the city's food landscape, The Veg Venjan brings Hyderabad its first vegetarian buffet featuring the innovative **"Live Tawa on Table"** experience — a concept where sizzling starters are served live on a custom-built tawa placed directly on the diner's table, offering both flavor and flair.

The restaurant offers an impressive spread of over 70 vegetarian dishes across a variety of cuisines including North Indian, South Indian, Chinese, Italian, Continental, and an extensive array of chaats and desserts. From spicy street-style snacks to rich gravies and indulgent sweets, there's something for

every palate.

Anand Chandak, known for his successful ventures such as The Signature Grills and Little Bittle, identified a gap in the vegetarian dining segment in central Hyderabad. “While there are many dining options in Himayat Nagar, there was a clear lack of a premium vegetarian buffet that offers both variety and innovation,” says Chandak. “The Veg Venjan was born from the idea of creating an experience that’s not just about food, but about enjoying vegetarian cuisine in an exciting and interactive way.”

Since opening its doors, The Veg Venjan has received an overwhelming response from food lovers. The restaurant has frequently reached full capacity with waiting times stretching up to 45 minutes - a testament to its growing popularity. Diners have praised the warm ambiance, rich variety of starters, inclusion of Jain-friendly options, and the attentive service that makes each visit feel special.

With this successful launch, The Veg Venjan aims to expand its presence across Hyderabad and eventually to other cities through a franchise-driven growth model. The brand remains committed to offering **pure vegetarian cuisine** with a twist of innovation, making it an ideal destination for families, corporate groups, and vegetarian food enthusiasts alike.
