

theWorkbook Acting Scholarship In Partnership with Vancouver Film School

theWorkbook and Vancouver Film School Partner to Empower the Next Generation of Actors with New Scholarship Program

theWorkbook ACTING SCHOLARSHIP

in partnership with

Vancouver, British Columbia Oct 16, 2025 ([IssueWire.com](https://www.issuewire.com)) - theWorkbook is proud to announce an exciting partnership with Vancouver Film School (VFS) to provide scholarship opportunities for aspiring actors pursuing professional training in the *Acting for Film & Television* program.

Building on a long-standing relationship between the two organizations, this initiative reaffirms their shared commitment to supporting emerging talent in film, television, commercial and digital content creation. For years, VFS graduates have relied on theWorkbook to launch their acting careers, leveraging its innovative casting and talent platform to connect with agents, casting directors, and productions across North America and beyond.

Through this partnership, theWorkbook and VFS aim to open new doors for students with the passion, discipline, and creativity to succeed in today's entertainment landscape. Scholarship recipients will gain not only world-class training from one of Canada's top film schools but also direct access to theWorkbook's industry-leading technology and professional network.

Key Dates:

- **Applications Open:** October 14, 2025
- **Application Deadline:** November 7, 2025
- **Winners Announced:** November 24, 2025

“theWorkbook has always believed in empowering artists through technology, connection, and education,” said Susan Fox, Founder and CEO “We’re thrilled to partner with Vancouver Film School to help nurture the next generation of performers and storytellers.”

“This partnership represents the best of what our industry can offer through collaboration, opportunity, and innovation,” added Evan Biswanger, Creative Director, Head of Marketing & Communications, Vancouver Film School. “Together, we’re giving students a bridge between professional training and real-world career opportunities.”
