

Thriller Author John Sickles Delivers Peace on Earth...At Any Cost

A Battle for Justice and Redemption

Tomah, Wisconsin Oct 23, 2025 ([Issuewire.com](https://www.Issuewire.com)) - *Peace on Earth...At Any Cost*, author **John Sickles** delivers a powerful and emotionally charged thriller that confronts the high price of peace in a world consumed by corruption, terror, and moral conflict.

At the heart of the novel is **Zeke**, a man scarred by unimaginable loss but fueled by an unshakable

sense of duty. Operating beneath the radar, he takes on covert missions to dismantle dangerous criminal networks and prevent catastrophic attacks walking a razor's edge between vengeance and redemption.

From the chaos of global terrorism to quiet moments of spiritual reckoning, *Peace on Earth...At Any Cost* explores the depths of sacrifice and the strength of the human spirit. Through pulse-pounding action and deep moral reflection, Sickles challenges readers to consider the true cost of justice and the hope that can emerge from even the darkest places.

"The world is in need of a massive change," says Sickles. "Radical action may be necessary to eliminate terrorism, corruption, oppression, and evil. This book explores one man's vision of how far we might go to achieve true peace."

What Inspired You to Write This Book?

The world today faces widespread corruption, terrorism, oppression, and moral decay issues that demand real change from the highest levels of power down to the individual. *Peace on Earth...At Any Cost* was born from that conviction. I wanted to explore what might happen when one man dares to take radical action to confront these global problems head-on, blending justice, faith, and sacrifice into a story that challenges readers to reflect on how far they would go to create lasting peace.
