TIJON

Atlanta, Georgia Oct 7, 2025 ([Issuewire.com](https://www.issuewire.com)) - The wait is over! Tijon Atlanta, a one-of-a-kind fragrance lab and perfume-making experience, has officially opened its doors at Cumming City Center. Offering an immersive, hands-on experience, Tijon invites guests to create their own signature perfume from over 300+ premium oils — blending creativity, science, and luxury in a unique way.

Founded with the vision of bringing custom fragrance experiences to North Georgia, Tijon Atlanta introduces an interactive concept where guests become perfumers for a day. Each experience includes guided blending sessions, expert assistance, and a take-home bottle of their personally crafted fragrance — plus a complimentary gift bag of Tijon products.

A New Kind of Experience in Metro Atlanta

From date nights to birthday celebrations, bachelorette parties, and corporate team events, Tijon Atlanta transforms the art of scent into an unforgettable social experience. The Fragrance After Dark sessions add a touch of romance and mystery, while the Express Fragrance Experience offers walk-ins a quick, creative escape.

“We wanted to create something that goes beyond traditional retail — an experience that’s memorable, luxurious, and truly personal,” says the Tijon Atlanta team. “Everyone leaves with something that smells like *them* — their story, bottled.”
