

Top Line Constructions Completes Concrete Foundations for New Five Guys in Buckeye, Arizona - Queen Creek

Chandler-based contractor strengthens its commercial portfolio with precision foundation work for major restaurant chain projects in Buckeye and Queen Creek.

Chandler, Arizona Oct 27, 2025 ([IssueWire.com](https://www.issuewire.com)) - Chandler, AZ 10-27-2025 Top Line Constructions LLC, a Chandler-based concrete and masonry contractor owned and operated by **Edwin Rangel**, has successfully completed the [concrete foundation work](#) for the new **Five Guys** restaurant in **Buckeye, Arizona**. The company has also begun work on the upcoming **Queen Creek location**, which is set to open to the public in the **fourth quarter of 2025**.

The Buckeye project, part of the fast-growing West Valley restaurant corridor, involved precision concrete foundation placement to meet the brand's strict engineering and structural standards.

"We take pride in being trusted with foundational work for nationally recognized brands like Five Guys," said **Edwin Rangel**, owner of Top Line Constructions LLC. "Every pour we complete represents the groundwork, literally, for our clients' long-term success. Our focus is always quality, accuracy, and durability."

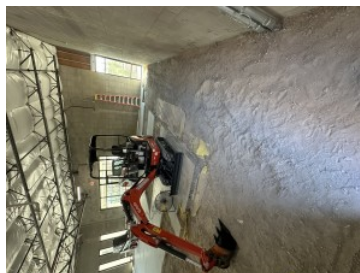

With the Queen Creek Five Guys currently under construction, [Top Line Constructions](#) continues to showcase its expertise in **commercial concrete and masonry services**, delivering results that align with both schedule and specification. The company's hands-on approach ensures consistency across all project phases, from site preparation and grading to foundation pours and finish work.

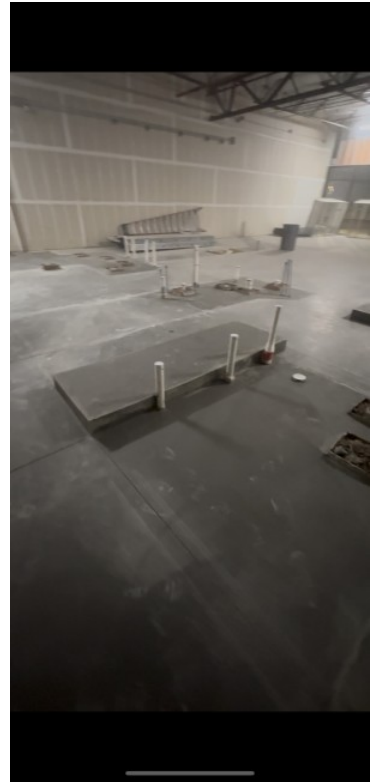

Serving **Chandler, Gilbert, Mesa, Queen Creek, Scottsdale, Phoenix, and the surrounding areas**, Top Line Constructions LLC has built a strong reputation for reliability and craftsmanship in both residential and commercial sectors.

"It's exciting to see Arizona continue to grow," added Rangel. "We're honored to play a role in helping national and local businesses establish roots here."
