

Treasure Hunters Rejoice: The Lost Aureus Launches on Kickstarter Today

Raleigh, North Carolina Oct 9, 2025 ([Issuewire.com](https://www.issuewire.com)) - Global Key Quest, the innovative alternate reality game studio, today announced the launch of *The Lost Aureus*, a thrilling new treasure hunt experience that blurs the lines between digital mystery and real-world adventure. The Kickstarter campaign is now live with a funding goal of \$15,000. *The Lost Aureus* invites players into an immersive world where ancient secrets, cryptic clues, and real locations converge in an unforgettable quest.

Combining cutting-edge puzzle design with physical exploration, this isn't just a game—it's an adventure that unfolds across multiple channels, challenging participants to think like detectives, decode hidden messages, and follow trails that lead from their screens into the real world. "We wanted to create something that captures the magic of classic treasure hunts while leveraging modern technology to make the experience more immersive and accessible than ever before," said Alyn Deale, creator and owner of Global Key Quest. "The Lost Aureus is designed for anyone who loves mysteries, puzzles, and the thrill of discovery." What Makes The Lost Aureus Different? Unlike traditional escape rooms or online puzzle games, *The Lost Aureus* offers:

- **Unlimited Duration:** Solve at your own pace—no time pressure, no countdowns
- **Hybrid Gameplay:** Physical locations, digital clues, and multi-channel storytelling via website, email, SMS, and more
- **Expert-Level Challenges:** Steganography, ciphers, hidden messages, and layered investigations for serious puzzle enthusiasts
- **Real Rewards:** Physical collectibles and exclusive items for backers and successful hunters

The Kickstarter campaign offers early supporters exclusive rewards, including limited-edition collector's items, physical props from the game, and special access to clues and behind-the-scenes content. Join the Hunt The Lost Aureus Kickstarter campaign is live now through [campaign end date]. Backers can choose from multiple reward tiers, each offering unique collectibles and game experiences.
