Jacksonville Beach, Florida Oct 31, 2025 ([IssueWire.com](https://www.IssueWire.com)) - Palmetto Publishing, in partnership with author Lucy Lee, proudly announces the release of *Liar Liar*—a sparkling rom-con where fake dating, high stakes, and emotional redemption collide.

When compulsive liar Lena Dodd accidentally wins a contest for *The Greatest Modern Love Story*, she turns to the one man infuriating enough—and skilled enough—to help her pull off the con: Mac McGregor, a fellow member of Liars Anonymous who’s secretly been in love with her for years. The plan? Pretend to be soulmates, win the \$100,000 prize, and walk away unscathed.

But as the cameras roll and their story starts to blur into something real, Lena and Mac discover that pretending can feel a lot like truth—and the hardest thing to fake might be their feelings.

“Two liars. One love story. Zero chance it ends the way they planned.”
