Procedures - Washingtonian Plastic Surgery

McLean, Virginia Oct 9, 2025 ([Issuewire.com](https://www.issuewire.com)) - Washingtonian Plastic Surgery, a leader in advanced aesthetic and reconstructive procedures in Northern Virginia, is proud to announce the expansion of its **cosmetic surgery and medspa services** in McLean and Tysons, VA. Under the expert leadership of award-winning, dual board-certified plastic surgeon **Dr. Navin Singh**, the practice continues to redefine beauty and confidence through personalized, cutting-edge treatments.

Washingtonian Plastic Surgery has long been recognized for its innovative approach to both surgical and non-surgical enhancements. The expanded range of services now includes state-of-the-art facial rejuvenation procedures, body contouring solutions, and comprehensive medspa treatments designed to meet the growing demand for natural-looking results. Patients in McLean and Tysons can now benefit from advanced options such as facelifts, liposuction, breast augmentation, gender-affirming surgeries, and minimally invasive skin treatments—all performed in a comfortable and welcoming environment.

“Our goal is to help each patient achieve harmony between how they look and how they feel,” said Dr. Singh. “By expanding our services, we’re making it easier for more patients in the region to experience the confidence that comes from high-quality, compassionate care.”

With a patient-first philosophy, Washingtonian Plastic Surgery has built a reputation for precision, safety, and artistry. The clinic also offers a comprehensive medspa experience, featuring treatments like microneedling, Botox, Ultherapy, and liquid facelifts—ideal for those seeking subtle rejuvenation without downtime.
