About “Let’s Stay Together” This EP and lead single remind us that in a world filled with division, music has the power to reconnect us. Inspired by **Dr. Martin Luther King Jr.’s** dream and grounded in Wolfgang’s global peace mission, the project urges us to choose unity, compassion, and joy.

For more than two decades, **Wolfgang Hildebrandt** has devoted his artistry to one mission: **spreading peace through music**. From performing at the **United Nations**, the **Nelson Mandela Foundation**, and **Carnegie Hall**, to recording with the **NYPD Choir** after 9/11, Wolfgang’s music has consistently built bridges across cultures, nations, and communities.

His latest work, **“Let’s Stay Together,”** is more than a song—it is a global peace statement. Written in honor of his late mentor **Andraé Crouch** (8x GRAMMY winner, Hollywood Walk of Fame), the song carries forward Crouch’s message of unity, faith, and hope. Together, they developed the bridge of this track before Andraé’s passing, making it a deeply personal and historic collaboration.

Wolfgang’s career highlights include:

- Honored as **Ambassador for Peace** by the Universal Peace Foundation (partner of the UN)
- Performing for **Pope John Paul II**, **Archbishop Desmond Tutu**, and alongside **Andrea Bocelli**
- Featured in **Billboard Magazine**, ARD-TV, and international media
