Batches for ICAI CA Entry Exam – Empowering Commerce Students to Excel

Acharya Dronacharya Classes, one of the [best commerce coaching classes in Jaipur](#), has officially announced the commencement of new batches for the **ICAI CA Foundation Course in Jaipur**. Led by renowned academic mentor **Pushpendra Singh**, the institute continues its mission to empower commerce students with expert guidance, innovative learning methods, and structured preparation for the prestigious Chartered Accountancy (CA) exams.

With the new academic session starting this month, the institute has rolled out a comprehensive plan to prepare students for success in the **CA Foundation exam** — the entry-level qualification exam for aspiring Chartered Accountants. The coaching program includes in-depth concept lectures, rigorous mock tests, and personalized mentoring sessions to strengthen conceptual clarity and boost exam confidence.

A Structured Approach to CA Success

Acharya Dronacharya Classes focuses on the holistic development of students by combining conceptual understanding with practical problem-solving skills. The course structure emphasizes all four subjects of the CA Foundation — Accounting, Business Laws, Mathematics, and Business Economics. The faculty team, led by Pushpendra Singh, adopts an interactive teaching approach, ensuring every student builds a strong base before advancing to complex topics.

Regular **mock tests and performance assessments** are conducted to simulate real exam conditions. Students receive detailed feedback to help identify their strengths and improvement areas. This structured test-and-review mechanism has consistently delivered top results, positioning Acharya Dronacharya Classes among the most trusted coaching centers for CA aspirants in Jaipur.

Empowering Commerce Students and Parents

The institute has also launched an awareness initiative aimed at **commerce students and their parents**. Through this campaign, Acharya Dronacharya Classes highlights the growing career opportunities in Chartered Accountancy and the importance of choosing the right coaching institute at the foundation level. Interactive counseling sessions are being organized to help parents understand the CA journey, course structure, and career prospects.

“Success in the CA Foundation exam is not just about hard work — it’s about guided preparation, consistency, and the right mentorship,” said **Pushpendra Singh**, Director of Acharya Dronacharya Classes. “Our goal is to make quality CA coaching accessible and result-oriented for every commerce student in Jaipur.”
