

ACT Cleaners Expands 24/7 Crime Scene and Biohazard Cleanup Services to Murfreesboro, Tennessee

Veteran-owned company brings over 25 years of specialized trauma cleanup experience to Tennessee's fastest-growing city

Murfreesboro, Tennessee Nov 20, 2025 ([IssueWire.com](https://www.issuewire.com)) - ACT Cleaners, a veteran-owned crime scene and biohazard remediation company, announces the expansion of its specialized cleanup services to Murfreesboro and surrounding Rutherford County communities. The expansion addresses growing demand in Tennessee's sixth-largest city, which ranks as the 16th fastest-growing city in the United States among municipalities with populations exceeding 100,000.

With Murfreesboro's population reaching approximately 173,625 and Rutherford County recently becoming Tennessee's fourth most populous county, the need for professional biohazard remediation services has increased significantly. ACT Cleaners provides IICRC-certified crime scene cleanup, trauma scene remediation, unattended death cleanup, suicide cleanup, and biohazard decontamination services throughout the Murfreesboro area, including Smyrna, La Vergne, and surrounding communities.

"Murfreesboro's rapid growth brings corresponding increases in service needs across all sectors," said a company spokesperson for ACT Cleaners. "Our team is equipped to respond 24/7 to situations requiring specialized cleanup expertise, from residential properties near Middle Tennessee State University to commercial facilities and industrial sites throughout Rutherford County."

Comprehensive Service Offerings

ACT Cleaners [provides a full range of biohazard remediation and crime scene cleanup services to Murfreesboro](#) residents, property managers, and businesses:

- Crime scene and trauma cleanup following police investigation completion
- Unattended death remediation with complete odor elimination
- Suicide scene cleanup performed with discretion and compassion
- Blood and bodily fluid decontamination meeting OSHA standards
- Industrial accident cleanup for manufacturing and logistics facilities
- Hoarding cleanup and MRSA decontamination services

All services comply with federal OSHA regulations, Tennessee state codes, and local health department requirements. The company maintains licensed medical waste disposal partnerships and provides documentation satisfying insurance carrier standards.

Professional Certifications and Standards

ACT Cleaners technicians maintain Institute of Inspection, Cleaning and Restoration Certification

(IICRC) credentials and follow strict OSHA protocols for bloodborne pathogen handling. The company holds an A+ rating with the Better Business Bureau and maintains full insurance coverage and bonding.

"Professional biohazard cleanup requires specialized training, equipment, and protocols that standard cleaning companies lack," the spokesperson explained. "We use EPA-registered antimicrobials, hospital-grade disinfectants, and advanced techniques, including ATP testing to verify complete decontamination."

24/7 Emergency Response

ACT Cleaners operates on a 24-hour emergency response model, recognizing that traumatic incidents requiring specialized cleanup occur without warning. The company provides GPS-tracked arrival times and text message updates to clients, ensuring transparency throughout the remediation process.

Services are available throughout Murfreesboro and surrounding Rutherford County communities, including Smyrna, La Vergne, Eagleville, Rockvale, Christiana, Lascassas, Walter Hill, Readyville, Milton, and Fosterville. The company also serves nearby communities in adjacent counties, including Nolensville, Antioch, Brentwood, Franklin (Williamson County), Lebanon, Mount Juliet (Wilson County), and Shelbyville (Bedford County). Response capabilities extend from historic downtown Murfreesboro to new developments near The Avenue shopping district, properties surrounding Middle Tennessee State University campus, neighborhoods near Percy Priest Lake, and communities along the I-24 corridor connecting Nashville and Chattanooga.

Insurance Assistance and Victim Support

Many homeowners, renters, and business insurance policies include coverage for trauma and biohazard cleanup under property restoration provisions, though policyholders often remain unaware of these benefits until facing crisis situations. ACT Cleaners assists clients with insurance documentation, providing detailed estimates, photographic evidence, and completion certificates that facilitate claim processing.

Tennessee residents affected by violent crime may also qualify for state victim compensation programs. ACT Cleaners connects families with available resources and partners with organizations, including Pathway Resources, to provide comprehensive aftercare support beyond physical cleanup.

Serving Tennessee's Growth Corridor

Murfreesboro's strategic location along Interstate 24, proximity to Nashville, and cost of living approximately 9% below the national average have fueled population growth exceeding 20% over recent years. This expansion has brought increased demand across emergency service sectors, from healthcare and public safety to specialized remediation services.

"As Murfreesboro continues growing, we're committed to providing professional, compassionate service to families and businesses facing difficult circumstances," the spokesperson stated. "Our goal is to restore safety and peace of mind during life's most challenging moments."
