

Adom announces new single Ella Tiene el Cuerpo with first acting role and book release coming in 2026

Artist and Producer announces new single Ella Tiene el Cuerpo, a Latin pop track that delivers a fun energetic blast.

New York City, New York Nov 22, 2025 ([Issuewire.com](https://www.issuewire.com)) - [Adom](#) is preparing for a major creative year with new music, film work, and a book release that will highlight every side of his talent and creative history. The Billboard-charting artist begins this next chapter with his new single, Ella Tiene el Cuerpo, a vibrant and international track filled with color, rhythm, and the emotional depth that defines his sound.

This new release opens the door to a full schedule of creative activity in 2026, including his first acting role and the highly anticipated arrival of his new book.

The new book is titled *Standing in the Shadows* and delivers a powerful and deeply personal look at the journey that shaped Adom as an artist. It explores his past, his growth as a singer and songwriter, his years performing on major stages, and the emotional battles that ultimately helped him find his voice. The book is scheduled for release through Barnes and Noble in 2026, with both physical and digital editions planned for a wide audience. Previews of selected chapters will be available later in the year as part of the promotional rollout for the book. Readers can expect an honest and inspiring work that blends music, family history, and the creative process that drives him every day.

Adom continues to expand his reach as a producer as well. He recently completed music production work for the KC Sisters, bringing his signature sound to their upcoming releases. He is also developing new music with the band [Eden Arcade](#), a project that explores a fresh and modern rock-influenced style. These collaborations reflect his ability to move between genres and guide artists toward their best creative expression.

His work with his label Chromawave Records can be found at <https://www.chromawaverecords.com/>
