

Advamed Hospital Marks 17 Years of IVF & Mother-Child Excellence in Zirakpur

Best IVF Doctor Zirakpur, Dr. Nupur Sharma, Leads 1,000+ Success Stories on Chandigarh-Ambala Highway

specialty healthcare center in Zirakpur, commemorates 17 years of transforming lives through advanced reproductive medicine. Located on the Ambala-Chandigarh Expressway near Ganga Nursery, this 100-bed facility has helped over 1,000 couples achieve parenthood and delivered more than 5,000 healthy babies.

Clinical Excellence Under Expert Leadership

Dr. Nupur Sharma, MBBS, MD, FICOG, leads the hospital's fertility program with a focus on personalized treatment protocols. With an embryo thaw survival rate of 98.7%, the center has established itself as a trusted destination for couples seeking fertility solutions across the Tricity region.

"Our approach goes beyond medical reports—we understand the emotional journey of every couple," shares Dr. Sharma, whose clinic has successfully helped women over 42 conceive after previous unsuccessful attempts elsewhere.

Advanced Infrastructure & Technology

Advamed Hospital offers:

- **Level-III NICU** with 24×7 neonatologist availability under Dr. Jatinder Sharma
