at

**Entrepreneurial
Excellence Award**

Founder & CEO, **Altimese Nichole**, has been selected to receive the prestigious **Entrepreneurial Excellence Award** at the 2025 **Founders 2.0 Conference** in Dubai. In addition to this international honor, Altimese Nichole has also been invited as a featured speaker for the **FUELD Conference**, taking place December 8–11, 2025, in Dubai, United Arab Emirates.

Recognized for her leadership, innovation, and impact in elevating entrepreneurs and purpose-driven brands, Altimese Nichole stands among a distinguished group of global founders who are shaping the future of business, technology, and creative industries.

The **Entrepreneurial Excellence Award** celebrates visionary founders whose work drives economic empowerment, social impact, and industry disruption. Altimese Nichole's commitment to amplifying brands, building ecosystems, and empowering next-generation leaders through The Ezer Agency has positioned her as a rising international voice in marketing, storytelling, and entrepreneurial strategy.

"This recognition is deeply humbling and a powerful reminder of what's possible when purpose and excellence meet. I'm honored to represent women, Black American founders, and storytellers on a global stage," said Altimese Nicole. **"Dubai is a global hub for innovation and transformation. I'm grateful for the opportunity to share insights that help entrepreneurs elevate their voice, visibility, and value worldwide."**

At the **FUELD Conference**, Altimese Nichole will address an international audience of entrepreneurs, founders, and ecosystem builders on branding, digital strategy, and the mindset necessary to sustain success in the modern marketplace. The event brings together creative and business leaders who are committed to scaling through collaboration, creativity, and cross-border opportunities.

The **Founders 2.0 Conference** serves as a global convening of forward-thinking leaders, ecosystem champions, and change agents. This year's theme centers on global impact, innovation, and next-generation entrepreneurship. For conference details, visit fuelconf.com.
