a music promotion service. Currently, it is coming to see that gaining fame on Spotify has become more difficult than ever. Millions of music artists are competing to achieve the same goal. And that is what makes it difficult for all the artists to gain attention. Now, music makers are not getting the opportunity to reach out to their target audiences due to this. However, implementing music promotion strategies can be useful at this time. The prolific company, **The Tunes Club**, has come up with excellent assistance that can lead to gaining more recognition.

They are also offering a **15% discount** for the special Veterans Day Spotify Sale. The special discount will be available **from 6 th November** and continue till **12 th November** for all music makers on the platform. It can be said that their [Spotify promotion services](#) are quite useful as they lead to reaching out to the target group of audiences in a hassle-free way. With the help of this company, one will be able to attain organic exposure, which can be really useful for all. Thus, getting established in the music industry would be much smoother with the assistance of this company.

Reaching out to this company can be useful for all the music makers on Spotify. It can help one get into a Spotify playlist with more than **200k followers**. Currently, playlists are one of the most useful ways of garnering audiences. So, taking help from their Spotify playlist curator can be truly helpful in many ways. This can help one to garner authentic listeners from all around the world. This company is also providing content marketing services at the time of promotion. With their assistance, one can promote a song through a **press release**, **music review**, and **music blog**. Thus, it can help to influence a larger number of listeners.

The Tunes Club also understands the requirement of social media platforms amidst this huge competition. That is why they are helping with music promotion on social media sites to garner more audiences from all around the world. This company is making music promotion easier for all. They are providing several packages, which can help artists choose according to their needs. Their Spotify Marketing Package can help place a song on more than 60 curated playlists and get **3k to 3.5k listeners**. They share the track to more than **100k followers** on different social media platforms for a better result.

The Spotify Promotion Pack is another package that helps get into more than 90 curated playlists. This can help to attain **7k to 7.5 audiences**. They implement a PR distribution service for this music promotion. Their Spotify Marketing Pro Pack is another package that is helping one artist get featured on more than 120 playlists. This can help one get **10k to 11k listeners**. At the end, they are offering the Spotify Promotion Pro Pack, that is helping to get into 180 curated playlists. It is useful in getting **14k to 15k listeners** on the platform. This package can help to promote a song through **PR**, **music blogs**, and **artist reviews**, which can be truly helpful for all. Thus, avail their excellent music promotion service to get established in the industry.
