

Beverly Hills Cosmetic Dentist Offers Free Smile Care to Veterans This November

Dr. Jamielynn Hanam-Jahr Launches “Veterans Smile Free” Campaign to Honor Those Who Served

Beverly Hills, California Nov 5, 2025 ([Issuewire.com](https://www.issuewire.com)) - This Veterans Day, Dr. Jamielynn Hanam-Jahr of Beverly Hills Aesthetic Dentistry is giving back to those who gave so much. As part of her newly launched “Veterans Smile Free” campaign, the practice is offering complimentary cosmetic dental consultations and smile care appointments for U.S. veterans throughout the month of November.

A nationally recognized leader in aesthetic dentistry, Dr. Hanam-Jahr has built her reputation on creating beautiful, natural-looking smiles and now she’s bringing that same artistry to those who have served.

“For so many veterans, dental care is out of reach, especially when it comes to cosmetic procedures that restore confidence and self-worth,” said Dr. Hanam-Jahr. “This is our way of saying thank you, not just with words, but with care that makes a difference.”

Through November 30, qualified veterans can receive:

- **A free comprehensive cosmetic dental consultation**
- **A complimentary digital smile assessment**
- Priority access to additional services such as whitening, bonding, or porcelain veneer evaluations

This initiative aims to address the often-overlooked emotional impact of smile loss, damage, or

embarrassment among former service members. Many veterans delay or skip dental care due to cost, lack of coverage, or past trauma, especially for treatments considered “cosmetic.”

“When someone sees their reflection and smiles again, it changes everything,” Dr. Hanam-Jahr added. “Confidence, career readiness, connection, it all starts with that first smile.”

Dr. Hanam-Jahr and her team are encouraging local veterans or family members who want to nominate a loved one to schedule by phone or online.
